

IMB Monies

All missionaries are out under a faith-based program. They raise what they need; they only receive what you send. We encourage you to support them. The IMB does not take any percentage out for overhead expenses.

If missionaries raise their own support, why does the IMB need money? Good Question!

The IMB uses a General Fund for:

- The IMB Church Planter
- Publishing Kingdom Connections
- Travel Expenses
 - Missionaries to Conference
 - Representatives to mission fields
- Office Expenses
- Missionary Emergencies
- Projects
- Promotional budget
- Preacher's Pension Fund

Kingdom Connections

Each missionary is contacted each month. Praises and prayer requests are received. These are typed up and sent to churches and individuals. The churches are to copy it and make it available to their people to use as a tool for prayer. It is also available on the denomination's website for downloading and printing in English and Spanish.

Missionaries to Your Church or Group

When a missionary is home on furlough and visiting churches or if a missionary is raising support, there are three ways the missionary might set up a meeting.

1. The District Superintendent will be informed as to when the missionary will be in his area. The D.S. will then call the churches in his district and set up speaking engagements.
2. The missionary may call churches and set up his or her own schedule of visiting.
3. A church may contact any missionary directly to invite him or her to speak.

We have available biographies for some of our missionaries. If you would like to receive one or more to promote missions in your church, contact Sue Kidd at 607-759-1276 or suekidd219@gmail.com.

Some of the missionaries have a half-page flier on the website available for printing.

We hope this helps familiarize you with your International Mission Board. If you have any questions or if we can help put missions before your people, please feel free to contact us!
